The Certified Training Alliance is a Not-for-Profit organization of key nationwide independent Apple Authorized Training Centers. Each CTA member is dedicated to providing the industry's best hands-on technical training experience available on the Apple platform.

CTA members agree to maintain the highest levels of professionalism in their facilities, as well as clear and easy-to-understand policies and procedures for doing business with them. CTA members must adhere to a common set of policies and practices, and meet high standards set by both the CTA and Apple. CTA member trainers are trained and certified by Apple and present Apple courseware that prepares students to take, and pass, Apple's rigorous certification exams, all of which are given onsite at CTA member centers.

The Certified Training Alliance currently represents 13 Apple Authorized Training Centers with 20 locations throughout the U.S.
